

Disc brake SN6 / ST6

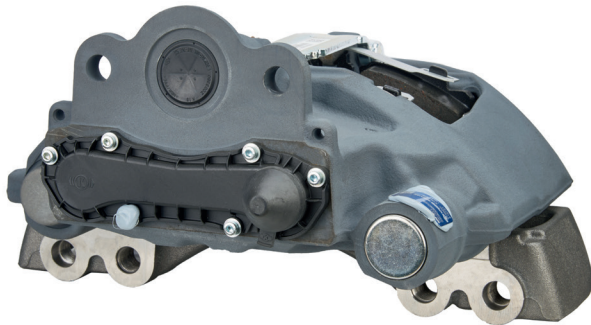

Switchover of the trailer disc brake SN6 into ST6

From **March 1st 2024**, SAF-HOLLAND Aftermarket are replacing the Knorr SN6 19,5" disc brake with the Knorr ST6 disc brake.
We have listed the appropriate replacement parts for you below.

old SN6	new ST6
03 080 0061 50	03 080 0095 50
03 080 0062 50	03 080 0096 50

Advantages:

- Optimum topology of the cast parts
- Weight reduction approx. 6 kg / axle
- Sealed floating bearing as for ST7
- No change in brake pads
- Nothing lost in terms of braking power or service life

Replacement parts	SN6	ST6
