

Two SAF-HOLLAND Facilities Earn PACCAR 10 PPM Quality Award for 2023

Muskegon, Michigan, April 22, 2024 – SAF-HOLLAND, a leading global manufacturer of heavy-duty commercial vehicle components, has earned the PACCAR 10 PPM Quality Award for 2023 for its Woodstock, Ontario and Wylie, Texas locations. This is the sixth year that our Canadian manufacturing facility has received the sought-after award and it's the first time for the Wylie, Texas facility to receive it.

PACCAR looks to suppliers for engineered solutions designed to meet their customer specifications so it's a privilege to be one of those best-in-class suppliers. The PACCAR 10 PPM Quality Award is based on companies achieving a combination of exceptional delivery performance, warranty support, and continuous improvement to PACCAR. Both SAF-HOLLAND facilities have been recognized as two of the more than 400 suppliers achieving 10 ppm quality.

"We are honored that PACCAR continues to trust SAF-HOLLAND by recognizing both our Woodstock, Canada and Wylie, Texas facilities with their prestigious award," said Keith Belevender, Vice President Operations & HSEQ – Americas, SAF-HOLLAND. "It is a privilege to be a component supplier to PACCAR and truly rewarding to have two of our manufacturing facilities recognized for our quality focus, production management and attention to detail."
