

TOOLBOX DISC BRAKES

SAF New toolbox for disc brakes!

We have redesigned our universal tool case for disc brakes to provide you with all the necessary spare parts, perfectly organized and always ready to hand - clearly arranged and compact for maximum efficiency.

In other words, a must-have for any professional who values organization and productivity.

Especially suitable for brakes made by SAF, HALDEX, KNORR and WABCO.

Part number: 03434332803

BENEFITS FOR YOU:

- For more than 20 different calliper types
- 20% lighter
- Clean inside structure
- Spare part numbers on each part
