90560012 Pneumatic Pin Puller Valve Change

New pneumatic pin puller valve to replace old style valve.

January 2010

General Information

In our ongoing efforts to supply our customers and the industry with the best products available, SAF-HOLLAND is announcing a change in our 90560012 Pneumatic Pin Puller Valve. This new valve operates and mounts in the same fashion as the old style valve and is completely interchangeable. The visual differences between the two valves are shown in **(Figure 1)**.

If you have any further questions concerning this product change, please feel free to contract SAF-HOLLAND Customer Service Department at 1-888-396-6501.

Figure 1

From fifth wheel rebuild kits to suspension bushing repair kits, SAF-HOLLAND Original Parts are the same quality components used in the original component assembly.

SAF-HOLLAND Original Parts are tested and designed to provide maximum performance and durability. Will-fits, look-alikes or, worse yet, counterfeit parts will only limit the performance potential and could possibly void SAF-HOLLAND's warranty. Always be sure to spec SAF-HOLLAND Original Parts when servicing your SAF-HOLLAND product.
