

HOLLAND Fifth Wheels

Retirement of FW1560 Oscillating Fifth Wheel

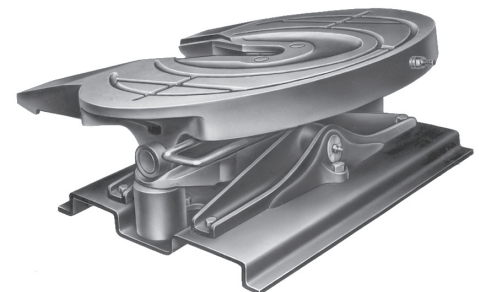

Attention

Effective June 1, 2019, SAF-HOLLAND will retire the FW1560 Oscillating fifth wheel assemblies sold to aftermarket customers.

Aftermarket orders for the products will be accepted until June 1, 2019. Service parts and replacement kits will continue to be available through the SAF-HOLLAND aftermarket for a limited time. Complete FW1560 Oscillating fifth wheel assemblies will no longer be available for purchase. Individual replacement top plates will be available while supplies last. Customers using the FW1560 Oscillating fifth wheel should consider the FW2080 Fully Oscillating fifth wheel.

If you have any questions or require additional product assistance, please contact your account manager or customer service representative.
