

# Important Info – September 2018

---

SAF-HOLLAND Group

## **HOLLAND FW35 Series Fifth Wheels (Model with Reversed Brackets and Earless Top Plate Options)**

### **Notice of Change in Production Facility**

#### **Attention**

This notice applies to all HOLLAND FW35 Series Fifth Wheels with reversed brackets and earless top plate options.

Effective October 1, 2018, SAF-HOLLAND will transfer production of the FW35 Series Fifth Wheels with reversed brackets and earless top plate options to Woodstock, Ontario, Canada. This move will consolidate the production to better serve customers and improve manufacturing efficiency.

If you have any questions, or require product assistance, please contact your account manager or customer service representative.
