

## HOLLAND Fifth Wheels

### Retirement of FW1226 Fifth Wheel

#### Attention

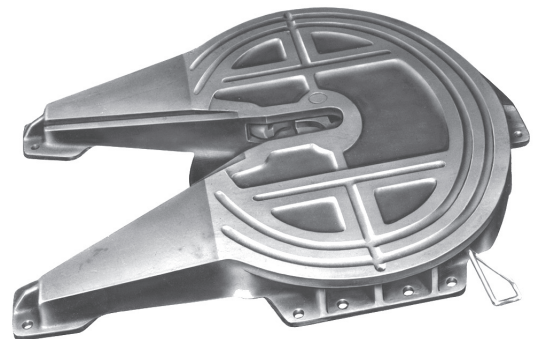

Effective January 1, 2019, SAF-HOLLAND will discontinue OEM availability for the FW1226 Non-Articulating Fifth Wheel.

Orders will be accepted until January 1, 2019 from OEM customers. Aftermarket top plates will be available for a limited time. Aftermarket service repair kits will continue to be available at this time.

Customers seeking a non-articulating fifth wheel should consider the FW35 No-Tilt.

If you have any questions or require additional product assistance, please contact your account manager or customer service representative.
