## SAF-HOLLAND's Commitment

We warrant each SAF® CBX40, CBXA40, CBX46, CBX50 and CBX69 Air Ride Suspension, Axle and Slider System manufactured after January 01, 2016, when properly installed on your vehicle, and maintained and operated in accordance with our requirement.

SAF-HOLLAND® will, at its option repair, replace or reimburse due to defects in material or workmanship. Parts reimbursement is limited to the parts acquisition cost, not to exceed the suggested list price. The cost of labor covered by this warranty includes any reasonable labor expense. Labor reimbursement is based on a published flat rate schedule in conjunction with local labor rates.

You are responsible for proper installation, operation, and maintenance as specified in our applicable publications on SAF CBX40, CBXA40, CBX46, CBX50 and CBX69 Air Ride Suspension and Slider System and for using the product in recommended applications within rated capacities. Please reference the SAF Trailer Air Suspension Selection Guide (XL-MP20033SG-en-US) for additional details.
