### SAF® Tire Pilot™ Plus (TPP) Tire Inflation System

#### Production to Resume for Tire Pilot™ Plus (TPP) OEM Kits

**Effective: February 1, 2024**

#### Attention

Dear Valued Partner,

SAF® Tire Pilot™ Plus (TPP) will begin accepting production orders February 1, 2024 with standard lead times.

Over the past few months SAF-HOLLAND Quality and Engineering teams have made substantial improvements regarding the ECU programming and tire hose assemblies. These improvements have increased the robustness of the overall system design. These upgrades include updated ECU programming and tire hose check valve modifications. Through extensive laboratory and field trials, SAF-HOLLAND validated the increased robustness of the changes to ensure many years of reliable performance.

SAF-HOLLAND is eager and ready to accept your 2024 orders, please communicate your forecast and orders to your customer service representative or salesperson.

Refer to page 2 of this notice for direct cross reference from old TPP part numbers to the new TPP part numbers.

If you have any questions or require PPAP documentation, please contact your account manager or customer service representative at 800-237-8932.

Thank you for your patience and understanding during this period and we look forward to fulfilling your future needs.
